PU, French Univ Sign Pact for Cooperation

Puducherry: The Pondicherry University, University of Michel de Montaigne-Bordeaux 3 in France and the French Institute of Pondicherry (IFP) signed a Memorandum of Understanding (MoU) here on Friday for academic cooperation. This is the seventh MoU to be signed by the varsity with a French University.

Addressing the gathering, Pondicherry University Vice Chancellor Prof Tareen said the signing of the agreement would allow these three premier institutions to facilitate academic cooperation in the fields of arts, humanities, languages and human and social sciences. He added that initially there would be an exchange programme for teachers, which would be followed by student exchange programmes for fixed time periods.
